All-in-One Dutch Oven Cookbook For Two: One-Pot Meals You'll Both Love

Synopsis

The pot you've used to cook for a crowd is just as good at cooking for two! Cook healthy, satisfying one-pot meals while saving time, money, and space with the All-In-One Dutch Oven Cookbook for Two! Specially designed for duos, the 90+ recipes in this Dutch oven cookbook make it easier than ever to create wholesome meals, without spending a fortune on ingredients or generating leftovers that'll end up getting tossed. The All-In-One Dutch Oven Cookbook for Two goes beyond chili and stews. It offers unique recipes that allow the Dutch oven do all the work, while you and yours eat all the benefits. Best of all, every recipe cooks or bakes entirely in the Dutch oven—after you clean the pot, you're done! Created by culinary instructor and food writer Janet Zimmerman, the All-In-One Dutch Oven Cookbook for Two calms the common stressors that can go along with cooking for two. You'll buy only what you need, use just one pot, and wipe your hands clean after the quickest cleanup ever. Enjoy recipes such as: Baked French Toast with Sliced Apples * Butternut Squash Risotto * Manhattan Clam Chowder * Chicken and Herb Dumplings * Pork Fried Rice * One-Pan Fudgy Brownies* and much more!

Customer Reviews

I love my enameled dutch oven. As long as I'm not running the air conditioner, I make bread in it. I have been making the no knead bread (recipe is in this book) for about 10 years now in my Le Creuset enameled dutch oven. However, as far as meals, I'm stumped how to make small meals in it. I've done roasts and stews, but since it's just my husband and me, unless we want to eat the same thing for a week, it's hard to cook in it. That's why I was drawn to this cookbook. So far, I've

made a few of the simpler recipes (the red beans and rice turned out particularly good). The cookbook has a variety of recipes, ranging from simple with easy to find ingredients, to more complex with unique ingredients. Some of the ingredients could be hard to find in smaller towns, but I've had no problems. Some of the ingredients can be subbed out with other easier to find things with a quick google search. And if cooking for 2 turns into 4 or more, it's easy to scale up the recipes and the pot! As for the complaints about no photos, for me it's not an issue. My favorite cookbooks are things like the art of cooking and how to cook everything. Old school cookbooks aren't filled with photos. Disclaimer (Per 's TOS): This is a required disclaimer. I received this item for free or at a discount and was asked to give a fair and unbiased review. My review was not influenced by getting this product for free or at a reduced cost. This does not make my product reviews any less truthful or valid. I always review each item to the best of my ability while trying to include as much information concerning the product.
