## Customer Reviews

I'm giving this book a 3 star review based on the dog treat recipes. Two of the recipes call for ingredients that are toxic to dogs, Onion powder and garlic powder should not be fed to dogs or cats as they can cause potentially fatal anemia. I do look forward to trying the recipes for people as they look great, but buyer beware, do not use onion powder or garlic powder in the recipes for your dogs.

Great recipes for marinades and helpful information.

I have read parts of this, and am anxious to try out some of the recipes.

Reading away but seems to have everything covered .

Pages thick. Wipes-up easily. Good cookbook.

Jerky and more jerky ... Really informative.

Gives you dozens of recipes to add to your cooking style for jerky. Now just wish I had more of the exotic meats to try them on.

This came clearly used. It was dirty with food on inside and outside. Not worth returning for the cost.
