I am a working mom with not much free time so I was looking for a book with quick and easy craft ideas that I could make with my young daughter. This book is full of great inventive ideas for making simple and cute decorations for the home, easy costumes ideas and yummy snacks that are Halloween themed. We plan on making some of the decorations this weekend. And we are bringing

the moody monster muffins and creepy crawlers to a friend's party!

Love this book as an addition to my Halloween collection. Great inspiration and ideas! A lot of pumpkin themed ideas so if you're decorating with pumpkins, it's a great book!

A fun book for all ages. From pumpkin decorating, crafts and eerie edibles. Beautifully illustrated, easy to follow instructions and a wonderful resource section. I highly recommend this book. If you love to craft with your children this is the book for you. Don't miss out on this one. It's a must have.

Very nice book on great ideas for Halloween! Of course it does not include ALL of B&G's ideas, because they want you to visit their website and buy their magazines, etc...but for me, this is perfect. LOVE it!!
