Hungry Halloween: Featuring Movie Monster Munchies, Bewitched Buffet, And Dead Man's Diner

Synopsis

Tired of the same old popcorn balls and mummy dogs for Halloween? Need some original recipes and party ideas that will transform your "ho hum" Halloween into a spook-tacular success? Hungry Halloween can give you all that and more! This unique book contains 46 delicious, easy to make recipes that will please the palate of any discriminating guest or ghoul! Hungry Halloween is divided into three chapters, each showcasing a different party theme - "Movie Monster Munchies", "Bewitched Buffet", and "Dead Man's Diner" featuring recipes such as "Werewolf Won Tons", "Mummy Lasagna", "Cackling Crackers", "Black Widow Bites", "Grave-y Stones", and "Stubbed Toe Subs". Full color, full page photographs accompany each mouth-watering recipe (several also have step-by-step photos) to help make replicating them in your home kitchen a snap. Included are some sweet and some savory recipes that are sure to excite and delight kids and adults alike. Two full pages of templates will allow you to almost effortlessly recreate eye-poppingly impressive dishes that your guests won't believe you made yourself. You'll be the talk of your neighborhood when you choose one of the three terrifically terrifying themes included in Hungry Halloween for your Halloween bash! Each themed chapter includes a page of frighteningly fabulous party decorating ideas with tips on how to have a "killer" party without killing your budget. Several full color photographs (in gory detail!) show you how you can decorate different rooms in your home for the ultimate Halloween experience. You don't have to break out the toolbox or break the bank to create the ultimate haunted house, witch's lair, or dastardly diner extraordinaire. More than just a cookbook, Hungry Halloween is a uniquely comprehensive guide to the perfectly harrowing, frighteningly fun Halloween. Year after year it will provide all you'll need to make your Halloween ghoulishly glorious for your Halloween guests!

I recently received as a gift the beautifully illustrated Hungry Halloween cook book by Beth Klosterboer. The explicit directions and clearly defined ingredients and some necessary special equipment, even the most novice of bakers can duplicate easily. Aside from the sweets Beth has so expertly created, Hungry Halloween also offers appetizers and main dishes. Whether a beginner or veteran cook/baker, I recommend Hungry Halloween. I also hope Beth will consider other holiday cook books.

Hungry Halloween by Beth Klosterboer is a wonderful book for Halloween fans of all ages. Personally I can not only follow the wonderful recipes but also many more spring to mind after seeing how Beth's mind works! Most recipes/foods can be easily adapted by using Beth's ideas so that you can appeal to children of all ages who enjoy this holiday. My girls are now in their 20s but Halloween was a favorite time of year. We created Happy Pumpkin Day magic by hosting their friends to an informal gathering before/during and after trick or treating. It soon became more important than running around the neighborhood in costume. These delightful ideas will have you putting out your own spread and creating a spooky mood ! Beware- you will become Halloween central! Great job Beth! Hungry Halloween: featuring Movie Monster Munchies, Bewitched Buffet, and Dead Man's Diner (Volume 1)

This book is so unique, page after page of incredible culinary concoctions to make any Halloween party- goer OOh, and AAh. Author Beth Jackson Klosterboer, has served up an amazing array of ghoulish treats, with full step by step photographs. An amazing way to make your Halloween get-together unique, check out the the Portrait of a Monster Artichoke, and Spinach Dip decorated with a blue corn tortilla picture of the Frankenstein's Monster; phenomenal. One note your cooking skills should be up to snuff, this is definitely not a book for the total novice, a basic knowledge of pastry making, will certainly come in handy as well

What an amazing book! I love Halloween, the parties, the costumes, the crafts and food and Beth Klosterboer had me at the first page. So much thought, creativity and work has gone in to this book--the recipes and projects are amazing and there is something fun here for the whole family.

Beth provides not only clever party ideas/recipes but the templates and tips to pull them off with ease. What a wonderful addition to my cookbook/craft book collection!

This book has so many really cute and creative ideas in it. Even if you never make them, it's a really fun book to look at the pictures, and pretend you could be that creative! I have tried many of the recipes in this book. I have found them to not only look good, but they were also the main topic of conversation at the gathering. And the best part of all..... they were YUMMY!!!

This may be Beth Jackson Klosterboer's first book but the passion she displays shows a true dedication for the ghoulish. She "gets" exactly what Halloween is - fun, creepy and sometimes just a touch ghastly. Sure this may make some moms cringe a little, but there is plenty here for the whole family to enjoy. Some of my favorite ideas are the green tinged popcorn (a sweet concoction perfect for filling a cauldron), a creamy vanilla panna cotta "brain", and calzone "bones" filled with a ricotta cheese with marinara blood on the side for dipping. This is a seriously fun book and I am counting down to Volume 2!

Hungry Halloween: featuring Movie Monster Munchies, Bewitched Buffet, and Dead Man's Diner (Volume 1) The book is full of entertaining and creative recipes. Some are challenging but the instructions are clear and complete. The variety of ingredients are readily obtainable and makes it appealing to all ages and palates. The additional advice on decorating is nice to have. The author truly knows how to celebrate Halloween!

I found this book to be utterly awesome, partly because it was a self-pubbed and I could see what the author/artist was trying to do. I do not think I would have liked it as much if it was some slick big house deal because it would have lost its appeal. That being said, there are templates and recipes and very cute nods to spooky movies. I even like the fact the werewolf on the cover looks more like a Boar, but it doesn't matter because you are going to eat him not that other way around!
