# Your College Experience, Two-Year College Edition: Strategies For Success

## Synopsis

Your College Experience, Two-Year College Edition has been built from the ground up to offer today's diverse students the practical help they need to make the transition to college and get the most out of their time there. For this new textbook, authors John N. Gardner and Betsy O. Barefoot, leading authorities on the first-year seminar, are joined by Negar Farakish, Provost at Union County College, who shares their commitment to institutions, instructors, and students. The book maintains the hallmark authoritative, research-driven approach that have made it a bestseller, yet every aspect of it has been crafted to address the specific needs of 2-year students, from content coverage and organization, to activities, assessment, and design. Each new copy of the text can be packaged with LearningCurve, a new adaptive, online assessment tool.
