# Portable Playhouse Sets In Plastic Canvas | Leisure Arts (6732)

## Synopsis

With Portable Playhouse Sets in Plastic Canvas from Leisure Arts, kids can let their imaginations run free. Four cute sets by Meagan Glaser include Cottage, Barn, Castle, and Burger Shop. Each set includes a box-like exterior building and an interior section that lifts out and has furniture and other accessories; the scenes can be brought to life when kids add their favorite toy people and animals. Removable roofs let the playhouses be packed up to hold all their pieces neatly inside for traveling or storage. The designs are stitched on 7-mesh plastic canvas with medium weight yarn.
