Customer Reviews

I learned of this book from Portland's daily newspaper, the Oregonian, their food section a must-read for those who wish to learn the latest in food innovation. This new cookbook from Ellen Jackson, well-known in the Portland culinary scene, prompts me to start trying the many recipes therein. I'll start with those submitted by the best chefs in Portland who create their specials for the evening from what they find at the market that morning. The text, photos, and design drawn one in -- a good read, whether you cook or not. TMcFarland

Beautifully presented, responsibly researched, and a way to savor fine recipes and memories of browsing in one of the country's great farmers' markets. In its pages, "insiders" guided me to the practical, fascinating, and delicious elements of the market's riches. Made me want to go back, yet makes me feel I'm there! It'll be a perfect Christmas gift for my friends who love good food, good

stories, and a sense of our country's distinctive regions. Satisfying to revisit, many layered pleasures. A winner.
