Synopsis

Designed to bring the true spirit of cabin style back to its roots, Robbin Obomsawin's latest book *Log Cabin Classics* is inspired by nostalgic, old-world cabins and filled with tips for meeting today's current needs. Since place-not space-is what true harmony with nature and cabin living is about, *Log Cabin Classics* includes practical construction advice, straightforward and creative design, advice on using local materials and choosing a site, architectural details, and handcrafted artistry. These principles are applied to a collection of one-of-a-kind plans you can use as springboards for creating your own "log cabin classic." *Log Cabin Classics* features 20 classic cabin designs under 1,500 square feet. Robbin Obomsawin is the construction manager and general contractor for Beaver Creek Log Homes. She has served as vice president of the American/Canadian Log Builders Association for Handcrafters. Customer Reviews

I bought it for my father to get him excited about building his own. He keeps it on his desk in the den. It's a pretty book and people enjoy looking at it. Great idea starter!

This used book came to me fairly quickly and in nice condition. Very pleased overall with this purchase. Thanks! :)

Good book-too many ideas

Nothing new here.
