Something In The Cellar...: Ronald Searle's Wonderful World Of Wine

Synopsis

This lighthearted look at the secrets of the world's wine ceremonies invites vintners and wine drinkers to experience the mysteries of wine and its production. Illustrated in Searle's inimitable style are the ancient noble ceremony of slashing the trockenbeerenauslese, the inauguration of the first authentic denominazione di origine controllata e garantita, and the vinolympics. For wine lovers who have never tasted ptolemy nouveau or watched the uncorking of the kangarouge, these experiences are related with warmth and humor. The many ways to open a bottle of wine are illustrated, and the rituals and delights of wine around the world are described. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

vintage Searle - wonderful drawing.

I bought this to have a reference for R. Searle illustrations. In that respect its a good compilation for me.

Searle always pleases with his eccentric cartoons.

Hardly contains any humor. Amazingly poor job for such fruitful topic as wine and winemaking.
